Louay zouaoui

Web engineer

PROFESSIONAL SUMMARY

a Web Engineer with over 3 years of experience designing and developing modern, high-quality web applications. I specialize in React, Next.js, TypeScript, and scalable frontend architectures. Throughout my career, I've contributed to diverse projects, from educational platforms to e-commerce solutions, always focusing on performance, usability, and clean code. Passionate about innovation and continuous learning, I thrive on building solutions that make a real impact.
